

Statutory Annual Returns (Form 4)

Environmental Bodies who have failed to submit a return

In accordance with the Landfill Tax Regulations 1996 (Regulations) Environmental Bodies (EBs) enrolled with ENTRUST have a statutory requirement to submit a Statutory Annual Return (Form 4) by 28 April each year. EBs are required to complete a Form 4 even if they have not received, or spent any Landfill Communities Fund (LCF) money during the reporting year. In April 2015, HM Revenue & Customs (HMRC) approved a condition which 'freezes' the status of an EB who has failed submit their Statutory Annual Return.

Once an EB is frozen it cannot receive further funds, or spend funds until all outstanding Annual Returns are submitted. The frozen status will be removed once all outstanding Annual Returns have been received. EBs who transfer money to a 'frozen' EB will also be deemed to be non-compliant and will be subject to breach management action.

EBs Frozen for failure to complete TWO Statutory Annual Returns

Those EBs who have been on the frozen list for not submitting their Statutory Annual Return for two years will be referred to the ENTRUST Board for consideration of forcible revocation by HMRC if their outstanding returns are not completed, in line with the agreed ENTRUST/HMRC [Breach Management framework](#):
