

ENTRUST EB Enrolment Module

Our online training module, supports organisations who are looking to enrol or who have recently enrolled as an EB.

The training module is also an excellent resource for already enrolled EBs who may have new people needing to learn about the LCF and how to manage the Statutory obligations relating to the scheme.

The module covers the basic knowledge required to participate within the LCF, the regulatory requirements surrounding any LCF funding organisations may receive and the obligations and responsibilities of an enrolled EB.

The module takes approximately 30 minutes to complete and can be accessed by clicking on this [EB Enrolment Module link](#).
