

Guide to completing a Form 4: Statutory Annual Return

Submitting a Form 4 through ENTRUST online (EOL)

December 2020

1. Introduction

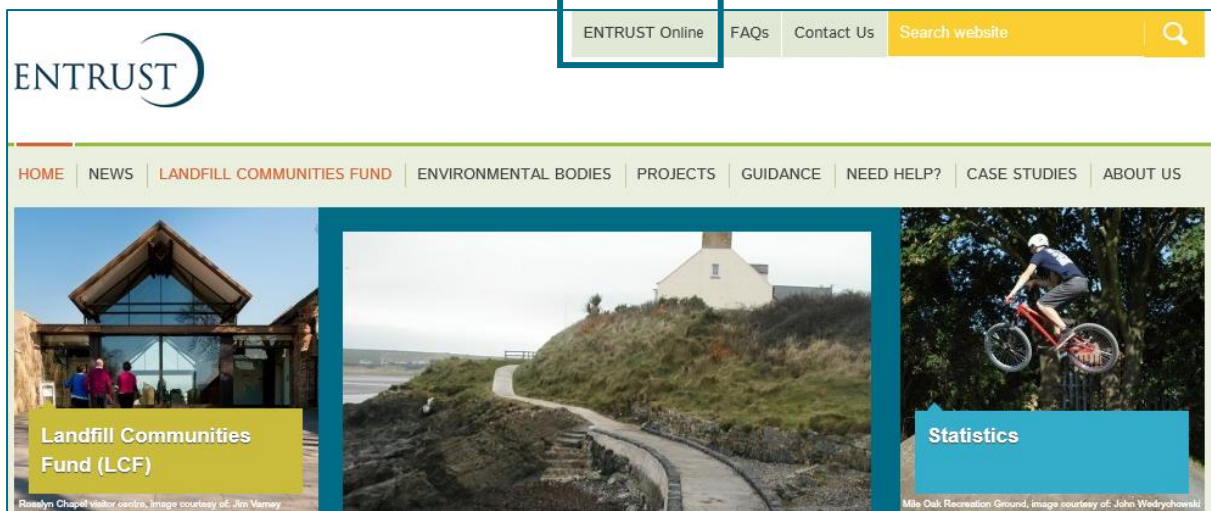

- 1.1 It is a requirement for all Environmental Bodies (EBs) to complete and submit an Annual Return (Form 4) to ENTRUST by 28 April each year, **regardless** of whether you have received or spent any Landfill Communities Fund (LCF) monies during the reporting period (1 April – 31 March). This requirement is contained in the Landfill Tax Regulations 1996 (Regulations) and not submitting your form by 28 April in each year is a breach of the Regulations.
- 1.2 This guide explains the steps you should follow to submit your return to us using ENTRUST online (EOL). This guide is intended for EBs that have held funds and/or have incurred expenditure during the reporting period. EBs which have not held any funds during the reporting period should submit a nil return and there is a separate guide to completing a nil return via EOL which can be found on the [Form 4](#) page of our website.
- 1.3 If you have any problems submitting your Annual Return please contact the Compliance team on 01926 488 300 or compliance@entrust.org.uk

2. Registering to use EOL

- 2.1 To use EOL you need to have login details to access the system. If you do not have login details, speak to the main contact of your EB who can set you up as an EOL user. You will need an email address. When they have done this you will receive an email confirming your password. An EB's main contact and an EB's directors/trustees/governing members can submit the Form 4.
- 2.2 If your EB's main contact is unable to do this for you then contact the Registrations team on 01926 488 300 or by emailing helpline@entrust.org.uk and they will be able to set you up as an EOL user.

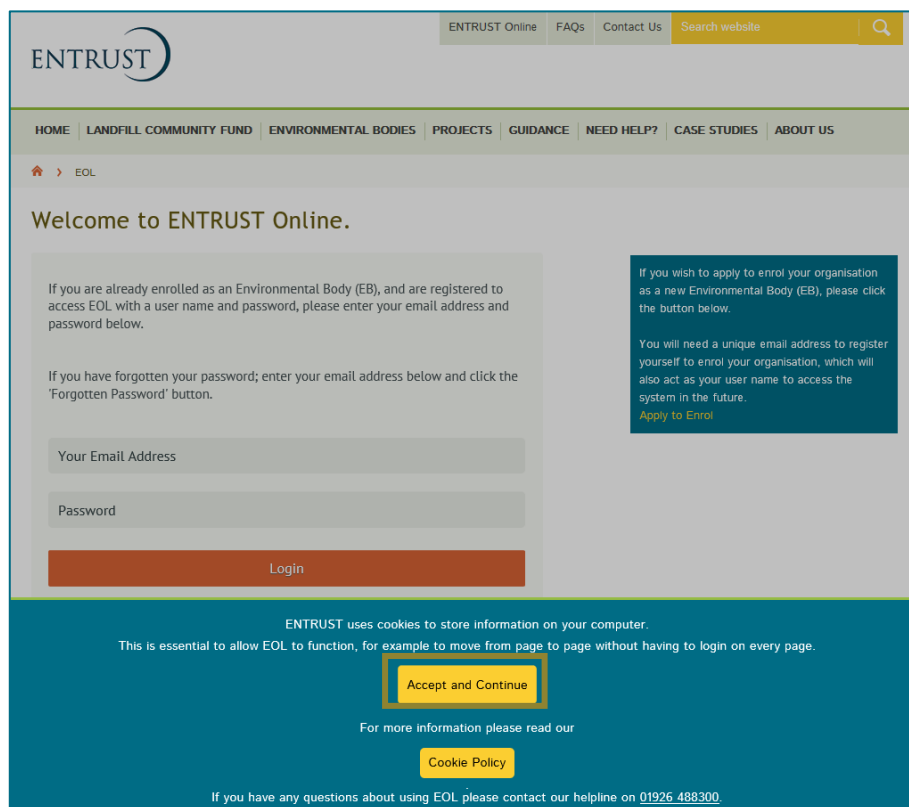

3. Login to EOL

5. Completing Form 4 when your EB holds the project approval

- 5.1 In the next section of the Form headed 'LCF Expenditure – During the Period', please enter the amount that you have spent on projects during the reporting period. If you submitted the projects and received approval from ENTRUST enter the total expenditure on all projects in the 'Expenditure on projects where your EB holds the approval' box.
- 5.2 Once you have entered the total amount of expenditure into the expenditure box click on the 'Click here to enter breakdown of project expenditure' button to enable you to complete the individual project breakdown sheet.

- 5.3. In the project breakdown screen enter the date you made the first payment of LCF funds and the amount spent on the project during the reporting period. If your project is completed enter the final payment date (please note that the first and last payment date may be the same if only one payment has been made). The start date is when the first payment of LCF monies was made on a project. Similarly, the finish date is when the **final** payment of LCF monies was made. If you intend to spend further LCF funds on the project then leave the 'Last Payment' box blank. If the project has commenced in a previous year the first payment date from an earlier return will be copied over. If you are entering expenditure there must be a first payment date entered – you will not be able to enter expenditure without a first payment date present. Once a last payment date has been entered the project will be locked and no further expenditure can be entered against the project. If a final payment date is entered in error please contact us.
- 5.4 A finish date recorded here will close off the project after which no further LCF expenditure can be allocated and will generate a project completion form (Form 9) for you to complete, which can be accessed from your dashboard. Please see '[How to complete Form 9 Completion Form](#)' if you need assistance completing the Form 9. If you have not yet completed the LCF spend on your project **do not** enter a final payment date. If you have spent LCF funds on more than one project, enter the dates and amount for each project. Once entered click on the 'Save' button at the bottom of the page and then click on the 'Back' button to return to the main page of the Form 4.
- 5.5 If a project is allocated to another EB to report spend on it – do not report the project as completed until the second EB has reported their expenditure on it which they will do following section 6 below. If a project is allocated, there will be a tick in the 'Allocated' column (see below). To see if another EB has reported expenditure on a project check the 'Act. LCF Cost' column on your project listings contained under 'Your Projects'.
