

Guide to completing a Form 4: Statutory Annual Return

Submitting a Form 4 through ENTRUST online (EOL)

February 2018

1. Introduction

- 1.1 It is a requirement for all Environmental Bodies (EBs) to complete and submit an Annual Return (Form 4) to ENTRUST by 28 April each year, **regardless** of whether you have received or spent any Landfill Communities Fund (LCF) monies during the reporting period (1 April – 31 March). This requirement is contained in the Landfill Tax Regulations 1996 (Regulations) and not submitting your form by 28 April in each year is a breach of the Regulations.
- 1.2 The easiest way to submit your Form 4 to us is through ENTRUST online (EOL) as:
- the form is simple to complete;
 - we receive it immediately; and
 - any funding you have received throughout the reporting period will be pre-populated on the form.
- 1.3 This guide explains the steps you should follow to submit your return to us using EOL. This guide is intended for EBs that have held funds and/or have incurred expenditure during the reporting period. EBs which have not held any funds during the reporting period should submit a nil return and there is a separate guide to completing a nil return via EOL which can be found on the [Training Resources](#) page of our website.
- 1.4 If you have any problems submitting your Annual Return please contact the Compliance team on 01926 488 311.

2. Registering to use EOL

- 2.1 To use EOL you need to have login details to access the system. If you do not have login details, speak to the main contact of your EB who can set you up as an EOL user. You will need an email address. When they have done this you will receive an email confirming your password.
- 2.2 If your EB's main contact is unable to do this for you then contact the Registrations team on 01926 488 300 or by emailing helpline@entrust.org.uk and they will be able to set you up as an EOL user.

3. Login to EOL

- 3.1 Go to [EOL](#) (entrust.org.uk/).
- 3.2 Or got to our [website](#) (www.entrust.org.uk) and click on the link to ENTRUST online at the top of the website home page (see below).

3.3 You will then be taken to the EOL login page.

3.4 If this is the first time you have visited EOL on your computer please ensure you click on the 'Allow' button at the top of the page to allow cookies before attempting to log on. Cookies are small files that websites use to improve the usability of a site. You will only need to do this once.

- 3.5 Enter your email address (user name) and password in the appropriate box and click on 'Login'. Alternatively, if you have forgotten your password, click on the 'Forgotten Password' link and follow the instructions.

Click on the 'Agree' link if the amount is correct and the amount will be transferred to the 'LCF monies held at start of period' box. In this example, the EB held £50,000 at the start of the period. The amount of money you have received during the reporting period will be displayed in the 'Declared by EB' box if you received the money directly from a Landfill Operator via a contribution **or** 'Declared by other EBs' where the funding has been transferred to you by another EB. In the example below the EB has received £5,000 by way of a transfer and £4,500 by way of a contribution. 5. Completing Form 4 when your EB holds the project approval

- 5.1 In the next section of the Form headed 'LCF Expenditure – During the Period', please enter the amount that you have spent on projects during the reporting period. If you submitted the projects and received approval from ENTRUST enter the total expenditure on all projects in the 'Expenditure on projects where your EB holds the approval' box.
- 5.2 Once you have entered the total amount of expenditure into the expenditure box click on the 'Click here to enter breakdown of project expenditure' button to enable you to complete the individual project breakdown sheet.

If your project is completed enter the final payment date (please note that the first and last payment date may be the same if only one payment has been made). The start date is when the first payment of LCF monies was made on a project. Similarly, the finish date is when the **final** payment of LCF monies was made. If you intend to spend further LCF funds on the project then leave the 'Last Payment' box blank. A finish date recorded here will close off the project after which no further LCF expenditure can be allocated and will generate a project completion form (Form 9) for you to complete, which can be accessed from your dashboard. Please see '[How to complete Form 9 Completion Form](#)' if you need assistance completing the Form 9. If you have not yet completed the LCF spend on your project **do not** enter a final payment date. If you have spent LCF funds on more than one project, enter the dates and amount for each project. Once entered click on the 'Save' button at the bottom of the page and then click on the 'Back' button to return to the main page of the Form 4.
